

CUSTOM CABINETRY AT IT'S BEST...

Because our cabinets are custom built to fit your individual needs, special applications and sizes are always available. Wine Racks, bread

garages, pull-out storage, knick knack shelves, glass doors; we have all the accessories you will need to make your kitchen unique!

Trash Basket Base

QUALITY...

Our detailed craftsmanship is next to none. We use only the best materials available. Our cabinets feature solid wood drawers, doors, and frames. The cabinet boxes are constructed out of 3/4" birch plywood, and the drawers are made with dovetail joints and feature slides rated up to 120 pounds. Each cabinet is individually crafted and inspected by one person and does not leave our shop without his approval.
