

*Now any home
can be a
log home*

with just a visit to the

THE WOODWORKERS SHOPPE

A scent of pine on a crisp breeze

**A rustle of leaves as a deer stops
to drink at a crystal stream**

**A brilliant sunset setting
an autumn hillside ablaze**

These are the sights, sounds and *feeling* of Northern Michigan. It is also the atmosphere found at the Woodworkers Shoppe. A unique shoppe specializing in natural wood products that give your home the charm of a log home.

Visit us today, and discover how you can take that *up north feeling* home with you.

*A log home is as easy
as falling off a log
with Skyline Woods*

At the Woodworkers Shoppe,
we offer Skyline Woods' complete line
of natural pine and cedar products.
Developed as a solution to the
disadvantages of building a log home,
Skyline Woods allows you to renovate
your current home or cottage...
or build a traditional new home
and still create that log home feeling
you've always wanted.

**Our innovative tongue & groove side
and end design makes installation
quick, easy and efficient for the
professional or the do-it-yourselfer.**

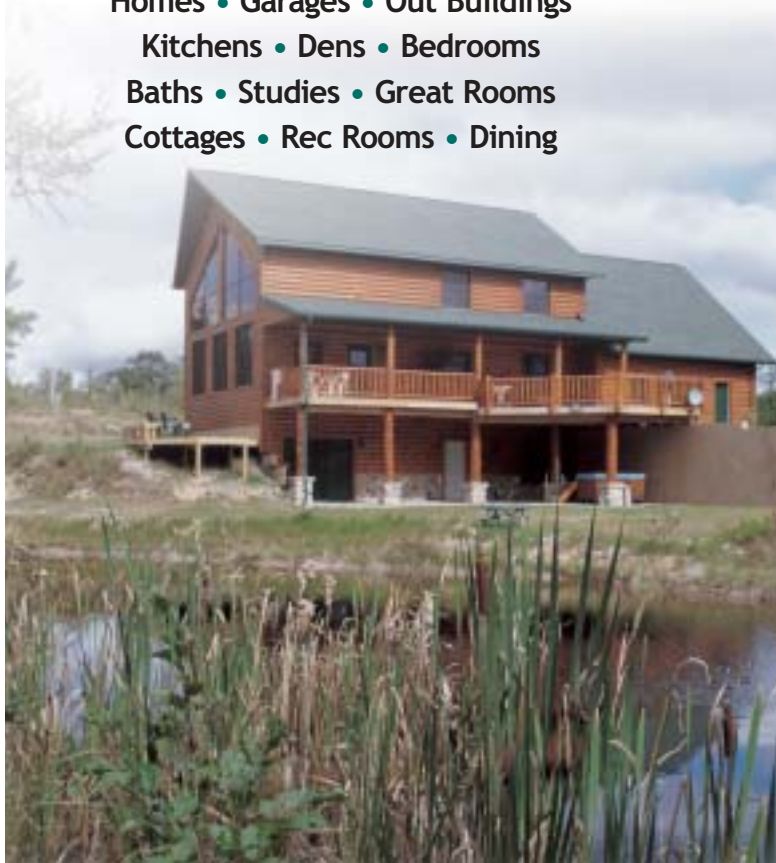

*New, lived-in or vacation...
enhance the beauty
of your home with
the charm of wood*

At The Woodworkers Shoppe,
our expert staff will work with you to
customize an order that fits what you
dream for your home. And your order
will be delivered directly to your door.

Whether it's a complete home makeover
or just one room, we can help enhance
your home with the beauty of solid wood
inside and out.

**Homes • Garages • Out Buildings
Kitchens • Dens • Bedrooms
Baths • Studies • Great Rooms
Cottages • Rec Rooms • Dining**

*Our forest of products
can transform
your home...*

The Woodworkers Shoppe offers a complete line of log sidings, panelings, accessories and flooring to create that log home feeling in any home. With just one stop, you can find whatever you need to have the rustic charm of log in your home. And our exclusive Ambrosia Red Maple® flooring can add that special feature you're looking for in your home.

If you have a unique item in mind, our expert staff and craftsmen can custom make for you and your home.

**A wide variety of siding
and paneling options**

Cabinets • Countertops • Islands

Doors • Trim • Mantles • Flooring

Stairs • Railings • Posts • Beams

Our solid wood, cedar and pine line of products are milled exclusively for the Woodworkers Shoppe by our parent company, Comins Lumber. From selecting only premium timber to planing to computer precise kiln drying to hand hewing; these craftsmen carefully inspect each piece of wood. This attention to detail assures you are receiving natural wood products that meet the highest standards for beauty, dryness and consistency.
